TEXTILE RECYCLING

Recycling clothing can be a challenge for communities. However, if you are currently not recycling textiles, please consider offering this important recycling opportunity for your residents.

- **COLLECT clean & dry clothing, belts and shoes.** Items must be bagged and not picked over. Note: If your facility has a swap shop, place clothing, belts and shoes in bags and remove from the swap shop often.
- **STORE in a clean, dry place.**

Contact the following textile recyclers directly to see which program works best for your community/business.
