

RECYCLEMOBILE

A NRRA Cooperative Recycling Program

Many of us are great recyclers at home, school and work, but what about when we're having fun? The RecycleMobile helps residents continue their great recycling efforts while having FUN!

The RecycleMobile is a unique, mobile recycling trailer created to assist "special event" organizers with collecting recyclables. The RecycleMobile consists of a fiberglass "box" with six collection holes (three per side). The "box" is attached to a 4' x 6' trailer and houses six 32 gallon barrels.

Collection signs are attached by two pieces of Velcro™ above the holes and can be changed depending on which materials are being collected! The RecycleMobile is not only practical, but easy to use, eye catching and educational! Consider using the RecycleMobile at:

- ♻️ Old Home Days
- ♻️ July 4th Celebrations
- ♻️ Fall Harvest Days
- ♻️ School/Park Clean Ups
- ♻️ Street Festivals/Fairs
- ♻️ Earth Day Events

Sponsored by the NRRA and New Hampshire the Beautiful, Inc., and with generous funding from the American Plastics Council, Shop 'n Save and Hannaford Supermarkets, New Hampshire Soft Drink Association, and the National Soft Drink Association.
