

“2013-2014 ME TEACHER OF THE YEAR”

Matt Charland from Mill Stream Elementary School in Norridgewock, Maine stepped up to coordinate the Recycling Club and through his efforts he was able to save it. Now the school-wide recycling program, educates the students, helps the planet and saves the district money.

This makes Mill Stream Elementary School an environmentally friendly school.

Due to distance and demands of the closing school year Mr. Charland was unable to attend the conference.

We are pleased to be awarding Mr. Charland with the “2013-2014 ME Teacher of the Year” Award.
