

# ANNOUNCING NRRA Trial Program "Solid Waste Staffing / Job Pool" Database

**ATTENTION: Experienced Solid Waste Operators / Transfer Station Attendants / Recycling Center Staff**

As a potential service to our Members, as well as a resource for people looking for employment (full or part-time), NRRA is looking to create a database of available experienced Solid Waste / Transfer Station staff.

Initially, this database would include a list of available staff, their experience and what days/hours available to work. If you would like to be included on this list please send the following information to: NRRA Info ([info@nrra.net](mailto:info@nrra.net))

**Name:** \_\_\_\_\_

**Town where you reside:** \_\_\_\_\_

**Experience:** briefly describe your current and/or past position(s) and responsibilities;

**Operator's Licenses:** include any operator licenses and/or levels achieved with expiration date (current or expired - if available)

**Other Information:** briefly include any other pertinent information you feel important to convey;

**Availability:** days / hours

**Telephone:** (best # to reach you)

**Email address:**

**NRRA's hope is this program will benefit:**

- Member Town's with their staffing challenges; The "staffing pool" would provide a resource to find short term and long term experienced personnel to meet their needs;
- Job seekers looking for part time or full time employment;
  - o Current working part time people may find an additional part time position at another facility.
  - o Retirees welcome

If you know of someone who might be interested and may not have received this announcement, please feel free to pass it along.
