NORTHEAST RESOURCE
RECOVERY ASSOCIATION

PRESS RELEASE

NRRA School CLUB's "Outstanding Recycling Educator" Award

EPSOM, NH - The School CLUB of Northeast Resource Recovery Association (NRRA) is pleased to recognize Cindy Sterling of Keene, NH with the "2014-2015 Outstanding Recycling Educator" Award.

Ms. Sterling is an Adjunct Professor of Geography at Keene State College, and a long-time Educator for the CLUB. The CLUB wanted to recognize her for going above and beyond this year. Ms. Sterling was invaluable in providing orientation and training to our new Programs Coordinator, Gwen Erley, in areas of grant writing and the logistics of CLUB educational programming. During our Conference, she assisted with the CLUB Programs Workshop, offered a free Yoga class and volunteered as backup for an additional Composting Workshop when confirmation of the speakers was in doubt. The CLUB is truly grateful for her outstanding efforts this year.

This award was presented at the NRRA School CLUB's 6th Annual School Recycling Conference and Expo on June 9th at the Radisson Hotel in Manchester, NH. The Conference & Expo was a great opportunity for students, teachers and administrators to network and learn more about school recycling, to expand and increase the efficiency of their programs, to add recycling education to their curricula, exchange ideas, share philosophies, and further promote waste reduction efforts.

Special thanks to NH the Beautiful for sponsoring the School Recycling Conference and for their continued support of school recycling in New Hampshire.

The School Recycling Club (The CLUB) is a program for all schools in New England and is supported by NRRA and NH the Beautiful. For students and teachers in grades K-12, the CLUB serves as a centralized organization to become more active in the world of recycling. The CLUB is a fun and innovative way to give kids encouragement, direction and networking possibilities for school recycling programs. For more information visit www.schoolrecycling.net.

The Northeast Resource Recovery Association (NRRA) is a proactive, non-profit organization that has worked for over 30 years with its membership to make their recycling programs strong, efficient and financially successful. For more information visit www.nrra.net.

New Hampshire the Beautiful, Inc. (NHtB) has been a longtime supporter of the NRRA School CLUB and environmental education in NH. NHtB is a private non-profit charitable trust founded in 1983 and supported by the soft drink, malt beverage, and grocery industries of New Hampshire. NHtB offers municipal recycling grants, recycling education grants (over \$2.5 million), recycling signs, anti-litter programs, and technical assistance. NHtB is a unique organization that represents a voluntarily-funded alternative to expensive legislation intended to achieve the same end results. <http://www.nhthebeautiful.org/>

NRRA School CLUB's Outstanding Recycling Educator, Cindy Sterling of NRRA & Keene State College accepts her award from Larry Melanson of NH the Beautiful.

2015 School Conference Supporters: NH the Beautiful and Orbis.

2015 Conference Partners: Earth Share New England, National Recycling Coalition, Inc., NH the Beautiful, Northern New England SWANA, and MassRecycle
