PRESS RELEASE

Town of Merrimack (NH) Recognized for Best Brochure for Recycling/Waste Guidelines

EPSOM, NH The Northeast Resource Recovery Association (NRRRA) honored the town of Merrimack, NH with the Best Brochure Award on Monday, May 16, 2016 at NRRRA's Annual Conference and Expo, held at The Radisson Hotel in Nashua, NH.

The town of Merrimack, NH won the award based on its informational brochure, which included a clear listing of materials that are accepted at their transfer station facility, a traffic flow key for their facility, a diagram of their recycling facility and frequently asked questions.

"From my experience, people are eager to do the right thing and recycle," said Michael Durfor, Executive Director, NRRRA. "But when there are uncertainties on if a material can be recycled or not, many things end up in the trash. The brochure Merrimack, NH created answers all questions and makes it easy to understand what can be recycled, which is helping the town keep their recycling rate strong."

Steve Doumas, Manager of the Merrimack Transfer Station & Recycling Center, accepted the award on behalf of the town of Merrimack, NH.
